About Dubai Diamond Conference

Organised by DMCC, the Dubai Diamond Conference will take place on 21 February 2022 in Dubai, UAE. The conference will bring together industry experts to discuss key topics on the future of diamonds. Hosted in the iconic Almas Tower, the event will attract hundreds of industry experts across the precious stone value chain.

Benefits:

- Cement your company's status as a high level player in the Middle East diamond and jewellery industry
- Show your company's presence in the region by supporting a major industry event organised by the Dubai Diamond Exchange
- Enhance visibility through the Conference marketing channels, placement of logos on event and Thought Leadership materials
- Invite your clients to the most prestigious bi-annual Gala Dinner & JWA Awards Dinner with 500+ guests

Highlights

Take a look at the Dubai Diamond Conference and what previous attendees had to say about their experience.

“One of the best conferences I have been to.”

“The best diamond conference I have attended in ages.”

“Your Dubai Conference was outstanding.”

“It was a privilege to participate in this highly reputable forum that provided a platform for leading diamond industry representatives and debate.”
