CONNECTING THE GLOBAL DIAMOND TRADE

The global diamond industry is entering a new era, shaped by evolving consumer expectations, shifting market dynamics and new opportunities for growth.

Diamond Week 2026, organised by DMCC under the theme **Diamond 2.0: A Strategic Reset. Reigniting desire, unlocking new value**, will bring together leading voices from across the global diamond value chain to drive meaningful dialogue, collaboration and action.

Covering three days from 25 to 27 October, the programme combines a welcome reception, the flagship Dubai Diamond Conference, and Activation Day, creating a unique platform for industry leaders to connect, exchange insights and unlock new business opportunities.

By partnering with Diamond Week 2026, sponsors will gain valuable visibility, engage with key industry stakeholders and position their brand at the forefront of the diamond industry's next chapter.

WHO ATTENDS

Miners and producers

Retailers and brands

Investors, regulators and industry bodies

Manufacturers and traders

Banks and financial institutions

Technology and service providers

The previous edition welcomed more than **400 global leaders** from across the diamond industry, creating a focused environment for meaningful dialogue and commercial relationships.
